

ROTTEFELLA

START

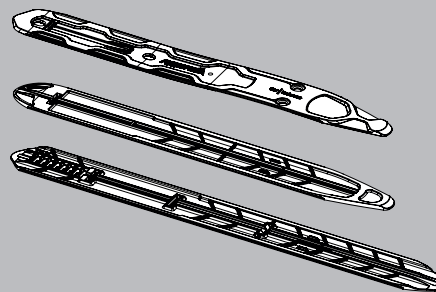

For roller ski: Use Rottefella Rollerski binding.

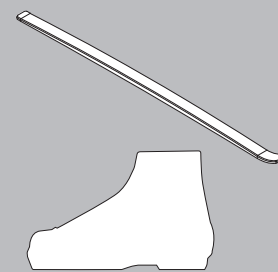

Developed to give the young a sense of achievement – both at play and on nursery slopes.

Automatic step-in system with large lever is undemanding to operate. Rottefella Start makes it easy for children to ski by themselves.

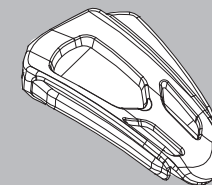

The wide housing gives excellent stability and control, even when picking up speed.

Rottefella Start Mountingplate
NIS 1 click plate short black
NIS 1 click plate kids black

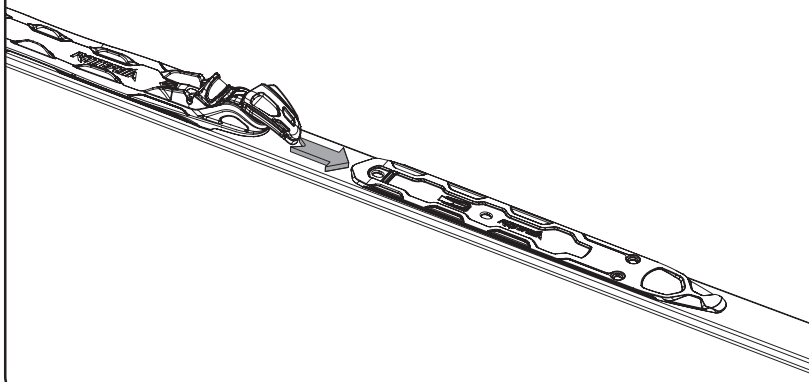

90 cm - 170 cm
Boot size: 25-39

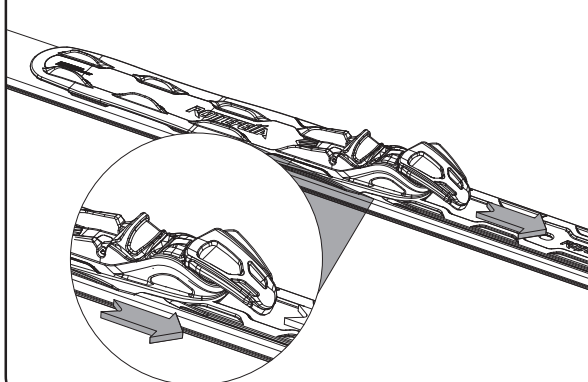

Interchangeable
handles

1 Match the tracks from binding to plate.

2 Slide on to mounting plates.

3 Stop when you hear a click and the rear end of the plate shows only 1 cm left.
