

Use the measurements to the right to check that your print is correctly scaled. Use the Magenta crosses to match and tape together the two pages. You are ready to mount your Freedom binding - one step closer the slopes.

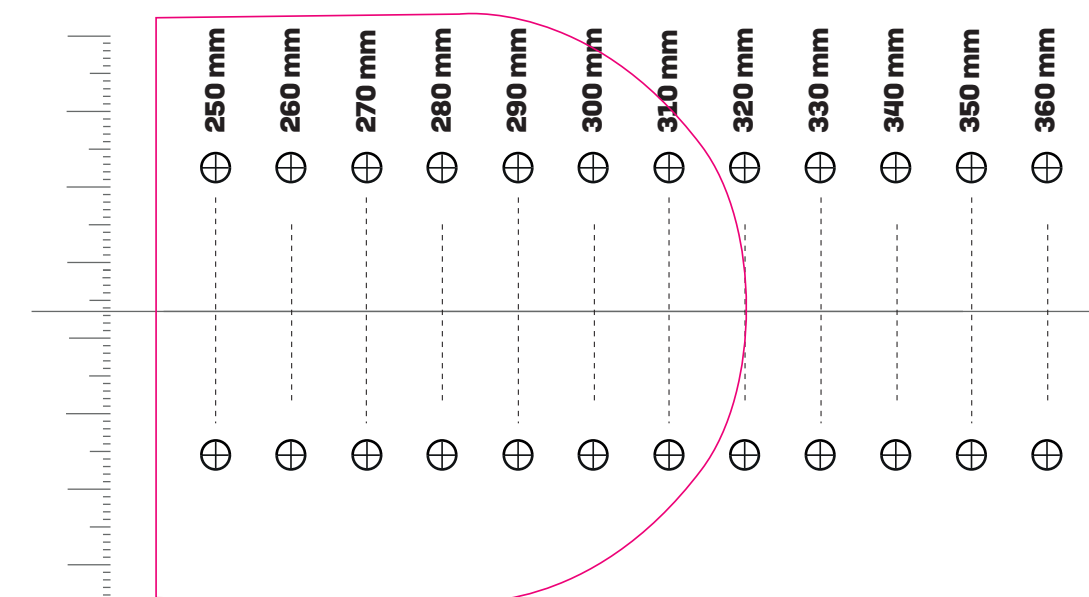

✚ Printing marks

Check if you have small or large binding (written on the binding). Use the respective holes.

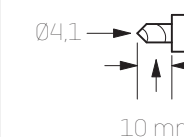

Scale for the position of binding plate and AT- slider

and use the respective holes for mounting of the heel, and match this with the skis centermark. In this case it is 320 mm

IN ORDER TO GET THE MAXIMUM USE OUT OF MODERN SKI, THE BINDING SHOULD BE MOUNTED ACCORDING TO THE SKIMANUFACTURERS INSTRUCTION ON SKI CENTER MARK.
